## LSO 2018 Award Nominations

### To be presented at *LSO Celebration of Success* Annual Awards Presentation on February 27<sup>th</sup>, 2019

#### Lifetime Achievement Award

- A highly respected leader who has inspired and led Ontario's life sciences community to imagine a bigger and better future for our sector.
- An individual who is recognized as a significant contributor in more than one domain of Ontario life sciences, including industry, government, academia, volunteerism, and philanthropy.

#### LSO Volunteer Award

- An active participant in Ontario's life sciences community who receives no remuneration for volunteer work.
- An individual who supports and adds energy to life sciences initiatives and events in Ontario.
- Nominees must be LSO members (or members of an LSO partner organization).

#### Community Service Award

- A public or private sector individual who has made extraordinary contributions toward building Ontario's life sciences sector, going above and beyond the call of duty.
- Contributions may include leadership, public policy, mentorship, advocacy, commercialization, investment, education, and promotion of life sciences.

#### Life Sciences Company of the Year

- An Ontario-based company that has demonstrated strong leadership and achieved significant milestones in advancing innovative life sciences technology towards commercial success, which has been recognized and validated by the community (for example, through the attraction of strategic partnerships and/or investment capital).
- Open to all companies from the broader life sciences community, including (but not limited to) human health, agri-food, and industrial biotechnology.
- Preference will be given to early stage/SME companies that demonstrate the criteria.

**Deadline for nominations is October 12<sup>th</sup>, 2018.**
